‘I REFUSE TO BATTLE’

Bella Angora

Stalke Up North
Gothersgade, Copenhagen (new location)

24.10.08-14.11.08

Stalke Up North opened a temporary location on Gothersgade in Copenhagen, active for two years. The first exhibition in the new space was Bella Angora’s I Refuse to Battle. Angora had previously exhibited regularly at Stalke alongside Christian Falsnaes; here she presented a solo performance-based project that continued her ongoing dialogue with identity, endurance, and staged presence
